

ANNIVERSARY GALA

CELEBRATING 25 YEARS OF MERCY FOR ANIMALS'
GLOBAL IMPACT FOR FARMED ANIMALS

ROLLING GREENS ON MATEO | LOS ANGELES | APRIL 20, 2024

ABOUT US

TWENTY-FIVE YEARS OF INSPIRING COMPASSION AND ENDING CRUELTY

Our mission is to end industrial animal agriculture by constructing a just and sustainable food system.

Imagine a world free of cruelty, a world in which we nurture our bodies, minds, and spirits with wholesome, healthy food that is kind to animals and sustainable for our planet. Mercy For Animals believes this world is possible. In fact, it is inevitable if we work together to elevate humanity to its full potential.

In 2024, we will celebrate 25 years of fighting to protect farmed animals. From factory farms to corporate boardrooms, courts of justice to courts of public opinion, Mercy For Animals is there to speak up against cruelty and for a global transition to an animal-free food system.
